

No Perfect People Allowed

VIA SATELLITE

Real life in a postmodern, post-Christian world is messy and chaotic.

But in the midst of chaos, God is doing something new through people who trust Him enough to reach out and say, "Come as you are."

"No longer can our churches afford to stand on the cliffs high above the cultural mudslide, chastising people for not climbing out of the mess to come up to higher ground," says John.

Discover what can happen when your small groups – tethered to the Holy Spirit – dive into people's very real lives.

Learn new ways to live out the message of Jesus by creating a culture of:

- Grace-Giving Acceptance – *Come As You Are*
- Authenticity – *No Perfect People Allowed*
- Growth – *But Don't Stay That Way*

We can't make people grow or change. That's up to God. But we can do our part...

Create the kind of soil that's good for growing: a place where there are **No Perfect People Allowed!**

Who Should Attend:
