

Creative Communication: Being Yourself in the Pulpit

Dave Stone Rene Schlaepfer

VIA SATELLITE

Here's some wisdom that all preachers can use:

"You are the only one who can be YOU and get it right!"

Are you wasting valuable teaching time and energy trying to be someone else—someone you are not?

Join CCN and two keenly gifted communicators and veteran preachers to discover the freedom, joy and influence of being yourself in the pulpit—rather than a copy of someone else!

"Learn to play to your strengths, those styles which come most natural for you and improve on your weaknesses," says Dave.

Are you analytical, logical or intellectual... emotional, creative or daring? Whatever your style, Dave and Rene help you keep it engaging and real as you discover your unique, God-given gifts:

- Storyteller
- Apologist
- Humorist
- Teacher
- Revolutionary
- Scholar
- Illustrator
- and more!

Find out how great your messages can be... when YOU do the speaking!

Who Should Attend:

- Pastors
- Teachers
- Ministry Leaders
