Would it take a transformation of your Sunday school program for kids to enjoy going to church?

Welcome to Promiseland, the children's ministry of Willow Creek Community Church. Each weekend, thousands of kids can't wait to get to Promiseland. You can actually mix church and fun, while partnering with parents to help kids begin and develop a relationship with Christ.

Let **Sue Miller** and **David Staal** show you how to bring the wonder to your church! In this live, hands-on satellite seminar designed for teams to enjoy together, you will:

- Experience a typical hour of Promiseland
- Learn the six core values that guide the ministry
- Discover how you can utilize every minute you spend with the children in your ministry
- Be challenged to make your children's ministry the highlight of kids' weeks

In addition, the Promiseland team will provide you with pre- and post-seminar training activities for a great development day for your entire children's team.

Be part of this interactive children's ministry development seminar from CCN ... you might even have some fun!
