How about a Friday night date—that will bear spiritual fruit? If you're a couple in ministry on any level, you're invited!

Ginger Kolbaba will give you some important data about marriage and ministry, and will share real-life stories of couples who minister together.

Steve and Valerie Bell will equip you with new life-changing tools that you can use (and pass along to others) to help you form a greater attachment to God and your mate. Build a more spiritually-

intimate relationship by learning the secrets which can keep your marriage strong as you serve together.

A round-table discussion will feature Ginger, Steve, and Valerie—and your questions, by phone, fax, or email.

What better way to say "I love you" to your mate and to God than a Friday evening like this?
