Proof Your Kids: A  
Prevention Guide  
and An Intervention  
Plan*

**85% of kids say they have experimented with an intoxicating substance... yes, even Christian kids.**

Sounds hopeless? Not so. Parents can make a crucial difference.

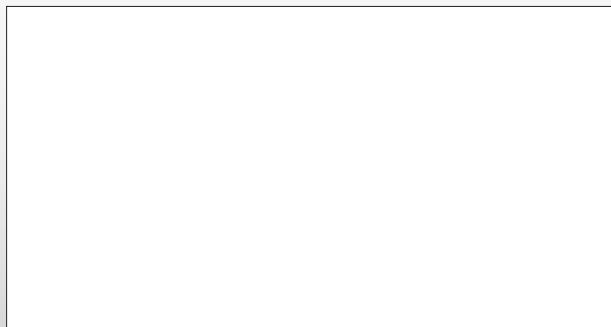

Join Jim Burns to find out what you can do to prevent or work through a drug crisis in your home.

Dr. Burns offers practical and powerful ideas to help kids avoid drug use – and real-life answers for parents whose kids may have already started using.

You'll learn:

- Key factors leading to drug and alcohol use.
- The role of the family.
- How to talk to your kids about drugs.
- And more!

**Don't let your kids become a statistic.**
