

# Shaped by God's Heart: The Passion and Practices of Missional Churches

Milfred Minatrea

VIA SATELLITE ON CCN

## **Culture is shifting rapidly. How should The Church, *your church*, respond?**

**Milfred Minatrea**, urban ministry expert and strategist, says there are really just two responses: "Well, that's just the way it is," or "It can be different!"

In the CCN broadcast, **Shaped by God's Heart: The Passion and Practice of Missional Churches**, you and your leadership teams will discover a kind of community that's making a significant difference: missional churches.

According to Minatrea, missional churches are not about a new program or process, but a distinct culture... "a reproducing community of authentic disciples being equipped as missionaries sent by God to live and proclaim His Kingdom in their world."

While the missional church may be seen as a new concept, Minatrea would claim that it's actually a return to first century biblical Christianity.

Learn how missional communities place their focus on:

- Loving God
- Living His mission
- Loving people
- Leading them to follow

Discover that God's timeless plans for His Church can *still* transform our world!

## **Who Should Attend:**

- Pastors
- Church Staff and Board Members
- Ministry Leaders
